

Volunteering to make a difference

---

**Camcare is a community organisation of professionals and volunteers working together to help people in Boroondara when times are tough.**

We provide wellbeing and support services, information and practical assistance. This may be food relief in a crisis, connecting to other services, professional counselling for new parents, unsettled teenagers or vulnerable families. We go out to see people who need support in their homes.

We also create a welcoming community space at Camcare for people to meet and participate in activities – a place to belong.

***“It has been a real eye-opener. It gives me insight into the needs of vulnerable members of our community.”***

## OUR VOLUNTEERS

Working alongside professional staff, volunteers contribute their time, skills and expertise at all levels of our organisation. They are a vital part of an active, committed team making a real difference to the community. A volunteer is often the first person individuals and families meet when they come to Camcare.
