

BUILDING BRIDGES:

A cross cultural parenting experience

In partnership with Camberwell South Primary School, Building Bridges brings a **FREE** workshop for teachers and educators on

Engaging with our multicultural community, enabling the school and empowering the teacher

This workshop focuses on identifying key issues that impact both teachers and parents in a cross cultural setting.

We will identify common themes and unpack cultural aspects that influence behaviour.

Get an overview of communication strategies to engage with parents from culturally and linguistically diverse communities.

We will celebrate inclusion, share best practices and engage with other colleagues!
